Have you ever held a position within ASRCC? _____

If yes, or currently in office, what was/is your title: _____

How did you hear about ASRCC? _____

It is important to understand that ASRCC is comprised of three branches: Executive, Legislative (Senate), and Judicial. Each branch has its own purpose and members have their own responsibilities. Together, these branches make up the vehicle that represents the thousands of students that attend Riverside City College. Without all three branches working together to complete their tasks and contribute to the Student Government Body, there would not be an ASRCC. Therefore, it is important to have an idea of what position you would like to apply for; explain why this position is of interest; and how you could contribute to ASRCC.
